

Tyler Quackenbush

Feature detection

<https://youtu.be/aGkNVCX6-jE>

You might want to slow it down to 0.5x speed. Also, the video is blurry for some reason, so the corner detection is hard to see. They're a bunch of tiny Xs on each corner

Ball tracking

<https://youtu.be/gUNW07VLT4U>

I highlighted the ball in red in each frame
